HUNTINGTON BEACH, Calif.--(BUSINESS WIRE)--Confie, a national provider of personal and small commercial lines insurance, captured the #1 spot for the second year in a row in the annual Top 50 Personal Lines Leaders report by *Insurance Journal West*.

The prestigious list, published in the national edition of *Insurance Journal* on November 20, 2017, was ranked by total 2016 revenue for personal lines independent agencies and brokerages. The journal is the nation's foremost publication for independent insurance agents and brokers.

"We couldn't be prouder to have retained our top leadership position, and we're poised for exciting growth opportunities in 2018," said Confie Chief Executive Officer Cesar Soriano.

The company has more than 3,800 employees and nearly 800 offices in 19 states, and is one of the largest and fastest-growing privately-owned insurance brokers in the U.S.

"It was a challenging year for the entire insurance industry," Soriano said. "Hurricanes Irma and Harvey hit our service areas, but we responded quickly and effectively. So, even as the company is growing on a national scale, we want our customers to know that our retail focus remains local. Our teams have been and will always be committed to the people and communities they serve."
